The Gardener

In the Church, we are made children of the God of Abraham, Isaac, and Jacob—the God who makes known His name and His ways to Moses in Sunday’s First Reading.

Paul says in Sunday’s Epistle that God’s saving deeds in the Exodus were written down for the Church, intended as a prelude and foreshadowing of our own Baptism by water, our liberation from sin, our feeding with spiritual food and drink.

Yet the events of the Exodus were also given as a “warning”—that being children of Abraham is no guarantee that we will reach the promised land of our salvation.

Lent should be for us like the season of reprieve given to the fig tree, a grace period in which we let “the gardener,” Christ, cultivate our hearts, uprooting what chokes the divine life in us, strengthening us to bear fruits that will last into eternity.

Dear Holy Name Families,

Not often do we have both a “winter vortex break” as well as a Spring Break. Although as I’m typing this it does not look a whole lot different outside of my window.

Thank you for all of the families that have already registered during this month of March! It allows me to offer contracts sooner, finalize budgets, order materials, and sleep. :)

I pray that all of you enjoy your Spring Break with your children. I really encourage all of you to take moment to breath. Life and the responsibilities of life can often times be very demanding on families these days. As parents, I’m sure that there are times we feel pulled in many different directions. Please take a moment to unplug for a time and enjoy the beauty of the world God gave us and the children He has entrusted to your care.

Have a great week! Mr. Carlson
