Home & School provides many fun activities for our school family throughout the school year. Please encourage your student to reach out to family & friends in the area to make this fundraiser a big success. Prizes are awarded to the top sellers in the school. Order forms & money will be due back to school by Monday, October 25th. Pizza certificates will be delivered before Deer Season begins.

Science Olympiad

Holy Name middle school students will have the opportunity to participate in Science Olympiad again this year. This is an after school program which focuses on hands-on experiences in creating designs, problem solving, & teamwork. Events are focused around genetics, earth science, chemistry, anatomy, physics, geology, mechanical engineering, & technology. At the end of the program, students will compete in a tournament against other schools. An informational meeting was held during lunch on Wednesday, October 6th for those interested. Practices are beginning the week of October 11th after school. The participants will be determining the days of the week that they will meet for practice & preparation. Please contact Mrs. Hadel (jhadel@holynamecrusaders.com) with any questions or if you would like your student to participate.

New Academic Success Policy

Holy Name staff is dedicated to assuring that all students are successful in their academics. Following each progress report and report card date, middle school homeroom teachers will be contacting families of students who are not passing one or more of their classes to schedule an academic improvement meeting. At this meeting, the MS teacher(s) will be present with the student & his/her parents to create a plan to improve the failing grade(s). This plan will be followed by the teachers, parents, & student. A follow-up meeting will be scheduled to review the progress made and identify if further steps need to be taken.
