

Backpack Food Program

Holy Name Catholic School

Your child has been invited to participate in the Backpack Food Program. This program is made possible by a grant through our local Delta County Community Foundation and various volunteers at Holy Name Catholic School. Included with each weekly backpack is breakfast, lunch and snack items along with a few other items that have been donated to the school.

On your child's backpack is a number, this is how we will keep track of the backpacks and to which child they belong.

An office staff member will be placing the backpacks in your child's locker. We will be as discreet as possible. The backpacks will be sent home each Friday unless there is no school on Friday then the backpacks will be sent home on Thursday. This may also happen if there is a chance for inclement weather that could cause the school to close on Friday. **Please have your child return their backpack on the following Monday to the front office so that we can refill them for the following Friday.**

Thank you!
